Date 21/01/2022

To

The Principal/Headmasters (Secondary & Higher secondary)  
Vocational Education, Gajapati

Sub: Setting up of Vocational laboratory tools & equipments in schools- Regarding.  
Ref: OSEPA letter no-9918, date- 20.10.2021

Sir,

In inviting a reference to the above cited letter & subject, I am directed to intimate that as per provisions one trade specific lab will be established in all 26 Schools where Vocational Education is being implemented till 2012-21. It was decided & allowed to procure mini tools kit of each trade/sector at the school level to provide practical exposure to limiting to Rs. 15000/- max per trade out of the funds available under Vocational contingencies grant at school level.

Now, the entire lab cost i.e., major tools/equipments should be procured and to be set up at the concerned school level. For the purpose, funds have already been released to the SMDC/SMC accounts (Copy enclosed). Please ensure atleast one room for vocational Lab at school for conduct of practical hands on training students.

The detail of school list, tool list & specification along with the indicative price list is enclosed for ready reference, which is provided over & above the amount of mini tool kits. The purchase/procurement should be done at school level by observing procurement procedures enumerated in samagra shiksha manual on FMP as well as Govt. of Odisha FD guidelines. The schools shall maintain necessary stock & store at school level observing due codal provisions for audit & inspection in future.

Yours Faithfully
